

S2S Program

2024 Application for Endurance Specialty Clinical Experience

Athletico Physical Therapy is proud to offer a Specialty Clinical Experience in the field of Endurance, through our Student to Specialist Program, S2S. A limited number of placements are available for DPT students completing their final clinical experience. This rotation offering is primarily Outpatient Orthopedics with exposure to patients of the endurance population. Selected students will be placed with a Clinical Instructor who specializes in treating endurance athletes and performing Video Gait and Running Analysis. Students will treat the general orthopedic population, but will have exposure to runners, cyclists, swimmers, triathletes, adventure racers, rowers, and ultra-marathoners. The student and clinical instructor may be giving lectures or providing coverage at endurance events. This is a specialty rotation, and an application is required. The application process for 2024 is currently underway.

Requirements:

- Resume
- Letter of Intent
- Letter of recommendation from a faculty member
- Final Clinical Experience for 2024
- Strong Orthopedic background
- Exemplary professional behavior and communication skills

Interested applicants should submit their application packet electronically at this link by April 14, 2023.
